LEARN FROM NATIONALLY RECOGNIZED EXPERTS, including

**John Kelly** is a school psychologist in the Commack School District and an adjunct professor at St. John's University in the school psychology program. Dr. Kelly assumes the role of president of NASP in July 2017. Dr. Kelly has received numerous state and national awards, including the NYS School Practitioner of the Year in 2001 and the NASP School Psychologist of the Year in 2003.

**Jack Naglieri** A Research Professor at the Curry School of Education at the University of Virginia, Senior Research Scientist at the Devereux Center for Resilient Children, and Emeritus Professor of Psychology at George Mason University. Dr. Naglieri is the author/editor of many books including *Handbook of Executive Functioning* (2013), *Encyclopedia of Child Behavior and Development* (2011), and *Helping Children Learn: Intervention Handouts for Use at School and Home* (2010).

**Kathleen Kryza** A master teacher and a consultant/coach who has presented in numerous school districts, nationally and internationally, for over 28 years. Ms. Kryza is the co-author of several books including *Transformative Teaching: Changing Classrooms Culturally, Emotionally, and Academically* (2015), *Differentiation for Real Classrooms: Making It Simple, Making It Work* (2009), and *Developing Growth Mindsets in the Inspiring Classroom*.

**Andria Amador** The Senior Director of Behavioral Health for the Boston Public Schools who is responsible for the oversight of behavioral health services in schools, coordination of behavioral health partnerships and leader of the BPS Crisis team. Along with partners Andria and her team have developed the Comprehensive Behavioral Health Model (CBHM) which is being implemented in 50 BPS schools serving 24,000 students. CBHM is a multi-tiered system of support designed to provide a continuum of behavioral health services including prevention/promotion, at-risk and intensive services.
